

Are You Looking for the Cheapest Bankruptcy Attorney?

BEWARE!

Choosing the Right Bankruptcy Attorney Can Save You Time, Money, and Stress. Avoid Common Pitfalls by Asking These Crucial Questions!

Are There Hidden Costs in Your Attorney's Fees? Discover What's Truly Included!

At Steffens Law Office, we pride ourselves on providing an **all-inclusive bankruptcy service with no hidden fees.** Our fee includes all the material you need to get your bankruptcy filed, including 3 credit reports, 2 credit counseling courses, and the bankruptcy filing fee.

Is Full Payment Required 'Upfront'?

Some firms require that you pay all fees before they do anything for you. If you're sued, they don't protect you from lawsuits. Send us that summons and just \$250 for lawsuit protection. Bank account recently frozen by garnishment? Call us for help. Then, we'll start on the bankruptcy when you've paid \$500. We'll protect you from collection lawsuits and get your paperwork ready to file while you're paying off the balance. When our all-inclusive fee is paid, we'll finish up and file your case.

How Do They Collect Information?

At some bankruptcy offices, you're required to fill out long questionnaires and complete your own bankruptcy forms. At Steffens Law Office, we handle all of the paperwork for you as part of our service. Simply provide us with your information, and we'll take care of the rest. We can do everything over the phone, through email, or by fax, so you don't have to worry about coming into the office or taking time off work.

What Do Their Clients Say?

At Steffens Law Office, we are known for our exceptional customer service, with over 900 '5-star' Google reviews. But don't just take our word for it! Here's what one of our clients had to say: **'I came to Steffens Law Offices feeling completely overwhelmed by mounting bills. I chose them because of their outstanding reputation, and they truly lived up to it. They expertly guided me through the process of filing for bankruptcy, making what seemed an**

insurmountable task manageable. Thanks to their dedicated help, I can finally breathe again without the constant stress of debt hanging over me. This has profoundly simplified my daily life, allowing me to focus on moving forward. I highly recommend Steffens Law Offices for anyone finding themselves in a similar financial predicament.' – Lois M.

How Will They Prepare You for Your Hearing?

Did you know that all bankruptcy hearings are conducted via Zoom video conference? Our team will provide you with a simple instructional video to help you download Zoom and schedule a practice session with our attorney before your hearing. You'll know every question you'll be asked and will feel confident and prepared for your hearing.

While on the surface it may not seem that we are the cheapest bankruptcy attorney's office, our all-inclusive services might end up saving you money down the road. Our hands-on staff and dedication to our clients, as showcased in our reviews, may be worth a few extra dollars to ensure you get the help you deserve.
